**2023 LONG ISLAND  
NURSERY & LANDSCAPE  
INNOVATIVE GRANTS  
AVAILABLE**

The Long Island Nursery & Landscape Association is offering an opportunity for innovators to apply for grants. Applications will be accepted from nursery & landscape professionals, students, clubs or organizations, colleges, universities & schools, research facilities, botanical gardens or arboreta.

Awards may be presented for; activities, projects, studies, programs, equipment development, courses, tours, trips or other endeavors that may qualify. Proposals must have some impact on the local nursery, landscape or retail horticulture industry. In reviewing applications from qualifying institutions, the *innovative* nature of the request as well as the effectiveness of the proposal in enhancing learning in the field of horticulture will be considered.

**Please note: all applications must be completed and postmarked by; February 10, 2023.**

Sincerely,

*John Gaylardo*, Committee Chair
